

## FANCOURT – SOUTH AFRICA'S ULTIMATE GOLF AND WELLNESS SANCTUARY

Nestled against the awe-inspiring backdrop of the Outeniqua Mountains in George, along South Africa's famed Garden Route, Fancourt stands as a multi-award-winning 5-star sanctuary. This 613-hectare estate offers an unforgettable luxury escape where the thrill of championship golf harmoniously meets world-class dining and transformative wellness. Consistently celebrated as one of the country's premier resorts, Fancourt provides a complete, refined retreat for every discerning traveller.

### The New Face of Golf: The Links Experience and The Ridge

Fancourt's commitment to golf innovation is best encapsulated by its latest offering,

the brand- new Links Experience. This revolutionary 9-hole course, personally designed by the legendary Gary Player, reimagines the game with flexibility and fun in mind. Player himself describes his creation as a «beautiful layout with soft grasses and colourful bunkers—something completely different. I designed this course to bring joy, especially to older players.»

This Par-34 masterpiece is strategically located at the newly opened Ridge Clubhouse, offering ultimate versatility with additional Par-3 tees that allow players to choose between a Par 3, 4, or 5 format. Each of the nine holes is uniquely named, beginning with «Wamkelekile». The course features undulating fairways and

pristine greens that blend effortlessly with the spectacular mountain vistas, positioning it perfectly between the esteemed Golf Academy and the Links Residential Estate.

The Ridge Clubhouse enhances Fancourt's leisure options, providing a relaxed, accessible format that welcomes all generations of golfers. This vibrant hub features two state-of-the-art padel courts and facilities for lawn bowls ensuring entertainment beyond the fairways.

### Championship Heritage and Elite Training

Beyond this exciting addition, Fancourt maintains its legacy as South Africa's premier golfing destination with three legendary Gary Player Signature courses. The world-renowned Links course is a private club that consistently ranks among the globe's finest and most challenging layouts. Complemented

by the scenic, tree-lined Montagu and the dramatically sculpted Outeniqua courses, Fancourt offers a distinct challenge for every skill level. Aspiring and seasoned players alike can refine their game at the Wanna Be A Champion Golf & Fitness Academy, which offers PGA professional instruction supported by cutting-edge digital technology and analysis.

### Culinary Journeys and Spa Sanctuary

Fancourt offers an unparalleled culinary journey across six distinctive restaurants. The resort celebrates both indigenous ingredients and global cuisines, from the intimate setting of Shinju, an exquisite Japanese venue showcasing masterful sushi, ramen, and fresh oysters, to Amanita, the new restaurant

at The Ridge, which celebrates the abundant, vibrant flavours of the Garden Route.

For complete rejuvenation, the award-winning Fancourt Spa serves as a temple of tranquility. Here, holistic skin and body treatments utilize powerful African botanicals like Marula and Baobab oils, expertly applied to restore mind and body harmony. Guests are invited to surrender to the peaceful environment, indulging in the comforting warmth of the Roman bath, the invigorating outdoor pool, or quiet contemplation within the serene gardens, ensuring a total and deeply relaxing renewal.
